Second Edition

Peter Bossaerts  
Bernt Arne Ødegaard

## Teaching

Go to: [My Teaching](#) page

## My Finance Resources

A number of things useful for people working in academic finance.

- [Norwegian Financial Data](#)
- [Financial Numerical Recipes](#)
- [C++ programs](#) for uses in Finance.
- My BiBTeX files. All the references I have used in various connections are collected in my BiBTeX files. If you want to save yourself some typing, get the following [ZIP](#) file collecting some .bib files. (Sorted by journal)
